

# Gas Generator for LCMS (Membrane Technology) with HMI

**PreCiGen**<sup>™</sup>  
Precision Laboratory Gas Generators

Membrane Technology

## Features & Benefits:

- \* Inbuilt Silent oil free air compressor.
- \* Designed as plug & play system.
- \* Cost effective & Economical compared to improved generators.
- \* Gas on demand, no health hazards, no need to worry about running out of gas.

Model: NGLC -32A  
(Nitrogen for LCMS)
